! Any orders coming in after 15.09. 2003 can only be processed with a **surcharge of 30%!**

It will not be guaranteed that the installation work will be carried out in time prior to the start of the fair. The fair management reserves the right to obtain payment for late orders by means of a cash invoice.

All the devices must comply with the regulations stipulated by the VDE and by the local EVV. Any modifications to the equipment provided by Köln Event Veranstaltungsgesellschaft mbH may only be carried out by contractors of Köln Event Veranstaltungsgesellschaft mbH

Please enclose the sketch of the stand (page 12) together with this order.

This order represents a legally binding acknowledgement of all parts of the Participation Conditions and of the enclosed

Technology (Gate Dimensions, Ground Load)

Main hall/adjoining hall / gate dimensions
Ground Load:

width 4,00m x extent / height 4,00m
4000 kg / sqm

Exhibits with a weight per square meter floor space of more than 4000 kg / sqm require a substructure adapted to the load-bearing capacity of the hall floor.

For fixing carpet or other material on the floor you have to use only the allowed material! Please ask the hall management. Damages caused by the use of material not allowed will be charged to the offender.
